PHYSICAL DEMANDS

Cosmetologists, Estheticians and Instructors can expect to stand for long periods. Since so many of their activities involve the use of arms and hands, professionals should take steps to ensure proper physical conditioning and rest periods. Further, career Cosmetologists, Estheticians and Instructors may find it necessary to work long hours, sometimes missing breaks and meals. It is not unusual for Cosmetologists, Estheticians, and Instructors to work more than 8 hours a day and/or more than 5 days a week – although these are the exceptions rather than the rule.

GRADES, TRANSCRIPTS & MORE

INSTRUCTOR SCHEDULING

In order to expose students to a variety of instruction, students will have multiple instructors throughout their course.

TUTORING

Faculty and staff are available for tutoring assistance. Arrangement for tutoring should be made with your instructor.

GRADING SYSTEM

As an integral part of the learning process, instructors are required to critique and/or grade the student's work.

The Ogle School Grading System is intended to assist instructors in motivating and evaluating students, determining progress and achievement in the mastery of knowledge and skills.

GRADE REPORTS

A Grade Report is a current record of a student's academic progress. Students are apprised of their grade every six (6) weeks during a student's course schedule. Other instances that a student may request Grade Reports might include notification to a current prospective employer of a student's academic progress or determination of grade point average. Students may request Grade Reports from the Student Service Coordinator. Grade Reports can be requested verbally or in written format and will be processed within 24 hours of the request.

If a student believes there is a discrepancy with a grade he or she should see the instructor of the class in question within 10 days of the end of each 6-week period. If determined that a grade change is necessary, the instructor will forward a request for grade change to the Student Service Coordinator. The Student Service Coordinator will issue a corrected student Grade Report.

TRANSCRIPTS

A transcript is an official document on the educational work of a student which lists the student's subjects; grades received, enrollment date range, and status of the student. Official transcripts are issued by the Campus Support Registrar. Transcript requests may be made for the following reasons:

1. Submission to other institutions of higher education for the purpose of transfer of clocked hours,
2. Certification to an employer summarizing a student's enrollment and academic progress,
3. Replacing a lost official transcript of the graduate.

Students/graduates must submit a request in writing to the Student Service Coordinator. The student/graduate may submit a letter of request that includes the following information:

1. Student's name,
2. A copy of their VALID form of government-issued identification (driver's license, state ID, passport), which bears their printed name, photograph, and date of birth,
3. Purpose of the transcript request,
4. Name and address of the recipient,
5. The student's signature and the date.

NAME CHANGES

All students who wish to make a name change in their Ogle School academic records must submit the request in writing and include copies showing the legal name change. Proof of legal name change can be a copy of a student driver's license, social security card, marriage certificate, divorce decree, or other legal documents showing the name change. Request for name changes should be submitted to the Student Service Coordinator. If the documentation is complete, the student's academic records will be updated with a copy of the legal documents in the student's academic file.

ADDRESS/TELEPHONE NUMBER CHANGES

Students are asked to notify the Student Service Coordinator when any information regarding their address and/or telephone number changes. Notification can be made by submitting a written request to initiate the change. A student's recorded address will be automatically updated if correspondence is returned to Ogle Schools by the United States Postal Service with an address correction.

SCHEDULE CHANGES

Students wishing to change their schedule must make their request in writing to the School Director. The Appeals Board (School Director, Student Service Coordinator and a responsible Financial Planner) will determine if and when the change can be accommodated based on education, schedule and space availability. After consideration of the student's academic and financial aid files, the Appeals Board will review and render a ruling on the requested schedule change. If the student is dissatisfied with the ruling, the student has the right to escalate the requested schedule change to the School's Vice President of Education. If the student is dissatisfied with the ruling of the Vice President of Education, the student has the right to escalate the requested schedule change to the school's President. The President is the final authority on all requests for schedule changes.

The school reserves the right to change the established schedules, in the event it becomes necessary. Students will be notified in advance should such circumstances arise.

STUDENT'S RIGHT OF ACCESS/STUDENT RIGHT OF PRIVACY

STUDENT'S RIGHT OF ACCESS/STUDENT RIGHT OF PRIVACY

In accordance with the Family Educational Rights and Privacy Act of 1974 (FERPA), Ogle School has adopted the following policies and/or procedures. This policy was designed to protect the privacy of education records, to establish the right of students or guardian of a dependent minor student to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. This is a notice of students' basic rights under the law, and explains certain procedures for Ogle School's full compliance with the law.

Students or guardians of a dependent minor student may inspect and review their education records upon written request to the School Director (or designate). Students or guardian of a dependent minor student should complete the Request to Review Records/Release of Student Information form each time the student or guardian needs to access personal student information, which is available in the Student Service Coordinator's office, identifying as precisely as possible the records they wish to inspect. The School Director (or designate) will arrange for access as promptly as possible and will notify the student or guardian of a dependent minor student of the time and place where the records may be inspected and/or copied. Access will be allowed no more than 45 days after receipt of the written request. When a record contains information about more than one student, the student or guardian of a dependent minor student may inspect and review only the records that relate to him/her.

Ogle School reserves the right to refuse to permit a student or guardian of a dependent minor student to inspect the following records:

1. The financial statement(s) of the student's parents.
2. Education records containing information about more than one student, in which case Ogle School will permit access only to that part of the record that pertains to the inquiring student. (May seek release from other student(s) to reveal record).
3. Those records which are excluded from the FERPA definition of education records.

Ogle School reserves the right to refuse to provide copies of educational records (not required to be made available under FERPA) if the student has an overdue financial obligation to Ogle School, or if there is an unresolved disciplinary or academic dishonesty action against the student.

Ogle School will disclose to third parties information from a student's education/financial records only with the written consent of the student, except in cases allowable under FERPA (including legal and accreditation purposes).

A student or guardian of a dependent minor student who believes that information contained in the education records is inaccurate, misleading, or in violation of their privacy rights may request in writing that the records be amended. A student or guardian of a dependent minor student should identify the part of the record she/he wants changed and specify why it is believed to be inaccurate, misleading, or in violation of privacy rights. A decision will be reached and the student or guardian of a dependent minor student will be informed within a reasonable amount of time after receiving the request. If the decision is not to amend the record(s), the student or guardian of a dependent minor student has the right to a hearing. The hearing will be conducted by a school official who does not have a direct interest in the outcome of the hearing. The hearing will be held within a reasonable amount of time after it is requested notifying the student in advance, of the date, place, and the School official will make a decision in writing based on the evidence presented at the hearing including a summary of the evidence and the reasons for the decision.

If the school official supports the complaint, the education record will be amended accordingly, and the student or guardian of a dependent minor student will be so informed. If the school official decides not to amend the education record, a student or guardian of a dependent minor student has the right to place in the education records a statement commenting on the challenged information and/or stating the reasons for disagreeing with the decision. This statement will be maintained as part of the education record as long as the contested portion is maintained, and whenever a copy of the education record is sent to any party, the student's statement will be included.

Ogle School's policy statement implementing FERPA is maintained by, and available for review in the Student Service Coordinator's office. Students or guardian of a dependent minor student should address questions, concerns, or problems to the Student Service Coordinator's Service Office. Students or guardian of a dependent minor student may file complaints regarding alleged failure of to comply with FERPA with The Family Policy Compliance Office, US Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-5920; (800) 872-5327.

STUDENT & ADMISSIONS POLICIES

Ogle School Career Services Representatives engage with students, salons, licensed Cosmetologists and others in the beauty industry to build strong relationships and create career opportunities.

EMPLOYER RELATIONS

The primary function of the Career Services Department is to establish and build an employer relations program for Ogle Schools. This includes maintaining a working relationship with employers to promote and enhance the visibility and effectiveness of Ogle School which ultimately enhances employment opportunities for students.

GRADUATE EMPLOYMENT ASSISTANCE

Ogle School offers academic and graduate employment services to students. Ogle School does not guarantee employment; the beauty industry has an on-going need for well-trained professionals. Ogle School is often contacted by salons, spas and manufacturers wishing to interview graduates regarding employment opportunities.

GRADUATION CEREMONIES

Graduation ceremonies are held annually in which students and guests may be invited to attend. Graduation ceremonies are held for students who have met all graduation requirements.

SAFETY REQUIREMENTS

Safety (particularly in the areas of sanitation and sterilization) is important. Students are not only in physical contact with clients but do so in a manner which involves the use of sharp/pointed tools and implements, chemical solutions, heat, light and electricity.

Students must be constantly aware of safety as it relates to the client. The use of proper sanitation is required to avoid the transmission of disease, and services involving chemicals and/or the application of heat demand constant vigilance.

STUDENT PARKING

While some student parking is provided (varies by campus), Ogle School cannot guarantee any student a parking space. Ogle School reserves the right to designate student parking areas and to enforce parking regulations.

STUDENT DISCOUNTS

Actively enrolled students receive a 25% discount on products and services. Ogle School graduates receive a 20% professional discount on products.

RIGHTS RESERVED

Ogle School reserves the right to add or withdraw any course and to make changes in schedule, curriculum, tuition, regulation, or any other published information as conditions warrant.

Ogle School does not require proof you have received any vaccinations as part of our admission requirements. However; we recommend you speak with your primary care physician regarding recommended vaccinations for persons working in close proximity to the general public.

STUDENT ORIENTATION

All incoming students will receive an orientation either prior to the beginning of school or on their first day of school. This orientation is required for all incoming students and will discuss our mission, values, student policies, the curriculum, how you will progress through the program and introduce you to key personnel at the school.

TRANSFER OF PRIOR HOURS REQUIREMENTS

Ogle School accepts transfer students and may accept up to half of the hours required for licensure, but reserves the right to deny transfer hours from another institution for any reason. An applicant may not transfer more hours into a course than listed below.

Any hours an applicant accrued prior to the cancellation of an Enrollment Agreement, either by applicant or school, at any Ogle School location will not be recognized or accepted as transfer hours or prior hours earned as an Ogle School student.

We highly recommend you pay any balance for previously received cosmetology hours before class commencement. The Texas Department of Licensing and Regulation will not allow a student to become licensed if they owe tuition for hours transferred from a prior school.

TRANSFERABILITY OF HOURS

All higher institutions reserve the right to determine which hours they will accept from another institution. The transferability of hours you earn at Ogle School is at the complete discretion of an institution to which you may seek to transfer. If the hours that you earn at Ogle School are not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your course work.

READMISSION FOR PRIOR OGLE SCHOOL STUDENTS

To be eligible for readmission to the most recent Ogle School location the student attended, the student must meet the following readmission requirements.

1. Meet all admission requirements.
2. Be current on any outstanding debts with the School or make satisfactory payment arrangements with the Student Accounts Department. Previous balances owed may be applied to the new agreement balance.

Prior clocked hours may be evaluated prior to readmission and may or may not be approved.

Approval for readmission is determined by the Appeals Board and is based on education, schedule and space availability. Ogle School reserves the right to deny readmission following termination or withdrawal for any reason. If readmission approval is granted, the applicant will be required to sign a new Enrollment Agreement and may be required to pay additional tuition, books, supplies and equipment costs. If a student withdraws and has been charged 100% of their Agreement price, a student in good standing (financial, academic and behavioral) may be eligible to return to the course during the following forty-eight (48) month period without any additional tuition costs. If a student withdraws and has been charged less than 100% of their agreement, the student may be eligible to return to the course, and may incur additional tuition costs.

This policy does not apply to Ogle School students seeking a transfer to another Ogle School location or a change in enrolled course. In this case, student will be considered a new applicant requesting transfer of prior hours. The Student Accounts Department can explain the financial implications of transferring, based on your individual circumstances. Ogle School reserves the right to deny a transfer request for any reason including, but not limited to attendance, behavior or academic performance.

APPEALS BOARD

A student may appeal his or her dismissal and/or request readmission by completing a Request for Readmission form available from the Student Services Coordinator. After consideration of the student's academic and financial aid files, the Appeals Board comprised of the School Director, Student Service Coordinator, Admissions Representative and a Financial Planner will review and render a ruling on the Request for Readmission. If the student is dissatisfied with the Appeals Board's ruling, the student has the right to escalate the Request for Readmission to the School's Vice President of Education. If the student is dissatisfied with the ruling of the Vice President of Education, the student has the right to escalate the Request for Readmission to the School's President. The President is the final authority on all Requests for Readmission.

NON-DISCRIMINATION

Section 504 prohibits discrimination on the basis of disability in any program or activity receiving federal financial assistance. The ADA prohibits a place of public accommodation from discriminating on the basis of disability. The applicable law and regulations may be examined in the office of the ADA Compliance Coordinator, or his/her trained designate who has been designated to coordinate the efforts of the school to comply with Section 504 and ADA.

Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator. A disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for an accommodation. However, if a student discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a **Request for Accommodations form**, which is also available on Ogle's website at: ogleschool.edu/compliance/Request-for-accommodations-form. To help ensure timely consideration and implementation, individuals making a request for an accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations format least two weeks prior to when the accommodation is needed.

Ogle School will assist students in developing financial plans to pay for their education through United States Department of Education's Federal Student Financial Assistance Programs (Title IV funding), Department of Assistive and Rehabilitative Services (DARS) and Veterans Education Benefit. Billing - Tuition payments are due based on the schedule established through the financial planning process. Payment options accepted are MasterCard, Visa, Cashier's Check and Money Order.

SCHOLARSHIP & FEE WAIVERS

Ogle School reserves the right to offer scholarships and waive fees to eligible students.

SCHOLARSHIPS/GRANTS

President Scholar Award, Beautiful Future Award, Ogle School Institutional Grant.

RETURN OF FEDERAL STUDENT AID

If a student withdraws or is dismissed from Ogle School, the School and/or the student may be required to return a portion of the Federal Student Aid received. The last date of attendance is used to calculate the amount of any federal student aid that must be returned.

The amount of Federal Student Aid a student has earned at the time of withdrawal is equal to the percentage of the payment period completed. The percentage of the payment period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

For that payment period, if the number of hours scheduled to complete in the payment period is greater than 60% of the clock hours in the payment period, the student has earned 100% of the Federal Student Aid, no return is due. If the

number of clock hours scheduled to complete in the payment period is less than 60% of the clock hours in the payment period, a return of Federal Student Aid may be necessary. The amount of Federal Student Aid to be returned is calculated by subtracting the amount of earned Federal Student Aid from the total amount of Federal Student Aid received.

The student is required to return any unearned Federal Student Aid less the amount returned by Ogle School. If a student needs to return loan funds, the funds are repaid as required by the normal loan repayment phases. If the student is required to return Federal Student Aid, Ogle School will notify the student of the repayment amount within thirty days of determining the student withdrawal. If the student fails to return the grant aid as instructed, the student is considered to be in overpayment and thus ineligible for any additional Federal Student Aid at any school until that amount is repaid to the U.S. Department of Education or satisfactory repayment arrangements are agreed to by the student and the U.S. Department of Education.

Ogle School returns unearned Federal Student Aid within forty-five (45) calendar days of the date the School becomes aware the student is no longer enrolled.

If a student has earned more Federal Student Aid than has been posted to his/her account, the student may be entitled to a post withdrawal disbursement of Federal Student Aid. The post withdrawal disbursement is first used by the School to pay outstanding charges; any remaining amount is offered to the student or parent borrower. Ogle School will send the borrower a written notice of any loan funds returned to the lender as a result of the withdrawal calculation. A student borrower who fails to attend in-person exit counseling prior to or at the time of withdrawal will be mailed loan counseling materials. The borrower should complete the exit counseling form and return it to the School.

The Return of Federal Student Aid Policy applies only to the Federal Student Aid Programs. Assistance received from other aid programs will be returned to those programs in accordance with the funding source's refund policies.

The Return of Federal Student Aid calculation is performed to determine the amount of Federal Student Aid that must be returned to the U.S. Department of Education. It is not used to calculate the amount of tuition and fees a student will owe the School upon withdrawal. A separate refund policy is provided to assist students in determining the amount of tuition and other charges owed to Ogle School.

If the student has a remaining balance owed to Ogle School after all refund calculations are completed, whether the student withdraws or the School withdraws the student, there may be a 15% interest fee added to the owed remaining balance.

Ogle School will send an invoice to withdrawn students if a balance is owed the School. Any balance due will be calculated by determining earned charges using the institutional refund policy, and then subtracting the amount of earned aid as determined using the return to federal student aid policy.

FINANCIAL PLANNING POLICIES

STUDENT POLICIES

CONDUCT AND EMPLOYABILITY STANDARDS

Appearance, attitude and professional behavior are important elements of the student's career preparation and job success.

1. When a student's appearance and/or attitude is in opposition to the career education goals to which the school's academic and placement assistance are dedicated, the student may be advised, dismissed for the day and/or placed on probation. If no progress is shown during the probation period, the student may be dismissed.
2. When a student's behavior interferes with the rights of others, disrupts and/or prohibits the learning process of other students, or is in opposition to policies and rules of the classroom and the school, the student may be advised, dismissed for the day and/or placed on probation. If no progress is shown during probation period, the student may be dismissed.
3. When a student is guilty of negligent and/or careless acts and/or omissions in the learning process so as to endanger or to cause injury to another person or property, the student may be advised, dismissed for the day and/or placed on probation or may be automatically dismissed.
4. Under certain circumstances, a student's conduct may warrant immediate dismissal. Examples of this include, but are not limited to:
 - a. Engaging in verbal threats, intimidation, use of foul or profane language, physical threats, sexual assault, physical violence, racial or sexual harassment in or around the School.
 - b. Possession of weapons, firearms and knives while on school property or when involved in any school sponsored activity.
 - c. Possessing, distributing or using alcohol and/or illegal drugs in or around the school.
 - d. Vandalizing, stealing or being in possession of stolen property.
 - e. Falsifying personal information on school documents and/or presentation of forged documents.

NON-FRATERNIZATION

Instructor course students are prohibited from fraternization with non-instructor students, either during regularly scheduled course hours or at any other time. Under no circumstances will students in the instructor course provide or accept transportation to/from non-instructor students, or provide their home and/or cell phone number(s) to non-instructor students. This policy includes the use of school facilities designated for non-educational use, such as designated break and smoking areas. Instructor students must use facilities designated for faculty and staff. Fraternization with non-instructor students is considered unprofessional behavior and subject to corrective action up to and including dismissal from Ogle School.

ALCOHOL AND DRUG PREVENTION

Ogle School in its policies supports and endorses the Federal Drug-Free Workplace Act of 1988 and the Drug-Free Schools and Communities Act Amendments of 1989. The unlawful manufacture, distribution, dispensation, possession or use of a controlled substance or abuse of alcohol by anyone on Ogle School property or as a part of any Ogle School activity is prohibited. Students taking prescribed or over-the-counter medication which may affect functioning should inform the Campus Security Authorities; School Director or Student Services Coordinator. See Insert 3.

SEXUAL MISCONDUCT PREVENTION AND RESPONSE

If a final determination is made that any student of Ogle School is found to be abusing alcohol or using, possessing, manufacturing or distributing controlled substances in violation of the law on Ogle School property or at Ogle School events, they shall be subject to, at a minimum, the referral to counseling and automatic and immediate suspension or dismissal from school. Ogle School imposed sanctions are additional to any legal actions taken by local, state or federal authorities.

Ogle School is committed to complying with all laws that prohibit discrimination on the basis of sex in admission to, employment with, and otherwise in the operation of its educational program and activities. Among the applicable laws, Title IX of the Education Amendments of 1972 prohibits sex discrimination and sexual harassment in schools. In compliance with Title IX, Ogle School is committed to ensuring that all its students have equal opportunity to benefit from our program and activities, and that all its employees enjoy equal employment opportunity, free from sex discrimination and sexual harassment. The protections of Title IX also extend to third parties. Ogle School has developed a Title IX policy and the associated processes (please view the full Title IX policy at <https://www.ogleschool.edu/disclosures/osm-601-title-ix-policy-2019.pdf>) to ensure that all complaints of sex discrimination and sexual harassment—whether brought by students, employees, or third parties—are promptly investigated and, where a violation is found, that Ogle School takes action to end the conduct, prevent its recurrence, and address its effects.

Sexual harassment is unwelcomed advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of this conduct explicitly or implicitly affects a person's employment or education, unreasonably interfered with a person's work or educational performance, or creates an intimidating, hostile or offensive working or learning environment.

Individuals who believe they are victims of sexual harassment should make it clear that such behavior is offensive to them. If the behavior continues, document the matter and refer it to Campus Security Authorities.

STUDENT POLICIES

Responsible employees must promptly report sexual harassment that they observe or learn about.

Students who are found to be participating in any form of sexual harassment will be subject to disciplinary action, including but not limited to suspension or dismissal from school.

Any student, employee or other person who believes that he or she has been subjected to any form of sex discrimination, sexual harassment, or sexual assault in violation of this policy should make a complaint. Ogle School takes all such complaints seriously.

Ogle School strongly encourages any person who wishes to make a complaint under this policy to bring that complaint directly to Ogle School's Title IX Coordinator. However, a student may also bring such a complaint to an Admission Representative, instructor, School Director, or staff member with whom he or she is comfortable. Likewise, an employee may bring such a complaint to their immediate supervisor, another manager, or a human resources generalist. In each case, the complainant should understand that the complaint will be forwarded to the Title IX Coordinator.

Title IX Coordinators: A central Title IX Coordinator will be located at the Campus Support Center to assist with the coordinator at the campuses. School Directors and Student Service Coordinators have been designated as the Title IX Coordinators at each campus. Please see Insert 3 to find the current designates for the campus you attend.

If you believe you have been sexually assaulted, your first priority should be to get to a place of safety. Ogle School strongly advocates that a victim of sexual assault report the incident in a timely manner.

Please familiarize yourself with Ogle School's Title IX Policy & Procedures which can be found on our website at: <https://www.ogleschool.edu/disclosures/osm-601-title-ix-policy-2019.pdf>

STUDENT CONDUCT

Time is a critical factor for evidence collection and preservation for the proof of a criminal offense. An assault should be reported directly to local police and/or Campus Security Authorities. Upon request, Campus Security Authorities will assist victims in reporting incidents of sexual assault to local police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Ogle School seeks to handle each complaint and investigation with professionalism and discretion. A fair and effective investigation often requires that the details of the complaint and/or the identity

of the complainant be shared with those individuals involved in and/or interviewed in the investigation. Such individuals will, however, be expected to maintain the confidentiality of the matter to the extent possible.

You can obtain information about rape awareness and prevention, victim support, counseling and mental health from the Rape, Abuse, and Incest National Network, at 1-800-656-HOPE (4673) or their website: <http://www.rainn.org>. Ogle School does not offer on-campus counseling services.

In the event a student has been apprehended for the violation of a law in the community, state or nation, the school will not request nor agree to special consideration for that individual because of his or her status as a student. The school will cooperate fully with law enforcement and other agencies in the enforcement of the law.

CONSTRUCTIVE INSTRUCTION

Any student disrespect or lack of cooperation toward instructors as a result of constructive criticism will be regarded as exhibiting unprofessional behavior and may result in the student being withdrawn from school.

CLASSROOM AND CLINIC ASSIGNMENTS

Students are required to remain with their instructor in their classrooms or assigned work areas unless at scheduled lunch or break.

There will be a charge for all services and products provided to clients unless otherwise approved in advance by the School Director (or designate). Students cannot bring into the school any beauty product not sold or carried at Ogle School nor should students advise clients to do so.

Stations are assigned at the beginning of each client service, for the duration of that service and may be reassigned at the discretion of school staff. All equipment and personal belongings must be stored in the student's assigned locker.

Sanitation is a critical part of our students' learning process. Adhering to TDLR health and safety standards as outlined in the published rules and regulations is essential in maintaining a sanitary establishment. Students are required to maintain a clean and safe station; before, during and after performing client services or practical work. In order for cosmetology students to maintain a sanitary station they will be required to wipe down the surface of their chair and station, clean the mirror, sanitize their implements before and after every use, place soiled towels in the appropriate receptacle and sweep/mop the area surrounding them (hair must be removed by sweeping prior to styling). Esthetic students must also maintain a sanitary work space and will be required to wipe down the surface of their spa bed, place soiled laundry in the appropriate receptacle, replace collar on wax pot, replace paper or bed sheets on spa bed/chairs used for services and sanitize their implements before and after every use. Additional tasks may be required depending on the service being provided and may vary by campus.

STUDENT POLICIES

EQUIPMENT & PERSONAL BELONGINGS

Each student is responsible for his or her own equipment, books and personal belongings and is provided a locker or rolling kit bag for storage of these items. Purses, coats, bags, backpacks and other personal belongings must be kept in a locker or rolling kit bag at all times during school hours. Ogle School is not responsible for lost or stolen items and it is the student's responsibility to replace any missing equipment or supplies at his or her own expense.

Students are required to have the equipment they need to complete services and assignments. If a student chooses to take these items home, it is the student's responsibility to bring them back to school. Students who do not come to school with their equipment will not be allowed to attend until they bring their equipment.

LOCKERS

Students may be assigned a locker at course commencement. Students assigned a locker must use a combination lock to secure equipment and personal belongings within their locker and provide the Student Service Coordinator with the lock's combination.

Lockers are for use by current, active students only. Students must remove all belongings from their assigned locker immediately upon graduation, termination or withdrawal from Ogle School. Items found to be stored longer than 30 days since the student's last day of attendance or in unassigned lockers or roll-arounds will be discarded.

Lockers are the property of Ogle School and may be formally inspected at any time. Students are required to organize, clean and sanitize their lockers daily. Care must be taken not to mix unsanitary personal belongings (food, money, and clothing) with sanitized implements and equipment. Students who damage lockers will be required to pay the cost of repairing or replacing the locker. Students may not remove school equipment from the School at any time.

ATTENDANCE

A student is considered to be absent during any unattended portion of their regular schedule. (See Course Schedule) Any absence will interfere with your learning process. Students must inform the school of any planned absence by completing a Student Absence Notice prior to the date of the planned absence. In cases of illness, emergency or other unforeseen absence, the student is required to call their campus's Student Service Coordinator no later than thirty (30) minutes prior to their course's scheduled start to notify their instructor, Clinic Service Manager and clients of their absence.

- Excessive Saturday absences, failing to contact the school in the event of an absence and/or over-attending will result in corrective action up to and including immediate dismissal from Ogle School.
- Students absent five (5) consecutive regularly scheduled course days without contact will be immediately dismissed from Ogle School on the 6th scheduled day of non-attendance.
- Students absent ten (10) consecutive regularly scheduled

course days with contact will be immediately dismissed from Ogle School on the 11th scheduled day of nonattendance.

Unscheduled hours are at the institution's discretion for make-up work and completion of guest services. Any student falling below 90% attendance will face disciplinary action and could be in jeopardy of being withdrawn.

The student withdrawal date for any student that withdraws or is dismissed from Ogle School will be the last date of attendance. Attendance Percentage is calculated by taking the total hours attended divided by the scheduled hours.

Examples:

a)
Hours Attended= 97.88
Absent Hours= 17.90
Scheduled Hours= 110.00
Attendance Percentage= 88.98%

$97.88/110.00=88.98\%$

b)
Hours Attended= 505.57
Absent Hours=37.68
Scheduled Hours= 520.00
Attendance Percentage= 97.23%

$505.57/520.00=97.23\%$

TARDINESS

Students must report to class on time. Late arrival for any reason must be communicated and explained to the School Director, Student Services Coordinator or your current instructor.

CHILD CARE RESOURCES

Students are prohibited from bringing their children to school during their scheduled course time and/or while earning clock hours. Please make appropriate arrangements for child care. The Student Services Department is available to assist you in finding child care resources.

TIME CLOCKS AND CLOCK HOURS

Students hours are recorded on a time clock each day. It is the responsibility of students to use the time clock correctly. Failure to clock in or out may result in the loss of clock hours. To receive full credit, a student must clock IN when beginning their day and clock OUT when ending their day. Students must clock OUT when beginning their scheduled lunch break (full-time day students only) and must clock back IN when their scheduled lunch break ends. All students must be off the clock when leaving the building for any reason. Students, regardless of enrolled course or schedule, may not clock more than their scheduled hours on any given scheduled course day, with the exception of approved field trips, unless prior approval is given by the School Director or designate.

STUDENT POLICIES

Students must be engaged in a learning activity at all times while earning clock hours. Students not engaged in a learning activity or students that are on break or at lunch must be clocked out. Any student found to be not engaging in a learning activity, in the break room or outside the facility while clocked-in or in violation of any part of 16 Texas Administrative Code, Chapter 83.72(i) (1-4), as posted at each time clock, may be subject to corrective action up to and including immediate dismissal from Ogle School.

Instructors and/or the School Director (or designate) will communicate daily with students in areas of attendance and dependability. At a minimum, students will be notified of their earned clock hours each month. If students have questions about total time, they should speak with the Student Service Coordinator.

BREAKS

Full-time students must clock out for a required lunch break daily, even if they remain inside the building. Students leaving the facility for any reason, including approved breaks, must clock out.

STUDENT BREAK AREAS

Each campus has designated student break areas. No eating or drinking is permitted anywhere in the school other than assigned break areas.

NON-SMOKING

While on school property students may smoke in designated student outdoor smoking areas only. Smoking is prohibited in the School.

BUSINESS TELEPHONES

Students are prohibited from using business telephones for personal telephone calls except for extreme emergencies as determined by the School Director (or designate).

ELECTRONIC DEVICES

Ogle School encourages students to use electronic communication devices for educational purposes. These devices include but are not limited to the following: cell phones and other electronic devices. Students may utilize electronic communication devices at school and at School activities when the instructor deems appropriate for educational purposes. Personal, non-educational use of electronic devices is permitted during breaks or lunch only in designated break areas. All other uses of electronic devices in the school are prohibited with the possessing student subject to the disciplinary measures outlined in the Conduct and Employability Standards. Use of electronic devices during the administration of any test or exam is prohibited, unless specifically required by the instructor or School for an educational purpose. It is recommended that students do not bring electronic devices to testing areas. If a student is found to possess an electronic device during testing, student test results may be invalidated and student will be subject to disciplinary measures outlined in the Academic Dishonesty policy.

UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL

Ogle School does not condone and will not tolerate the unauthorized copying, downloading, publishing, distribution or use of copyrighted material. Students who engage in illegal downloading or unauthorized distribution of copyright materials using the schools information systems will receive an advisement up to and including dismissal from Ogle School. Ogle School imposed sanctions are additional to any legal actions taken by local, state or federal authorities. 18 U.S.C. § 2319 provides for the following legal sanctions.

SOCIAL MEDIA

Ogle School respects the rights of students and staff to use social media during their personal time. Social media includes all forms of online publishing and discussion, including but not limited to Facebook, Instagram, Twitter, YouTube, file-sharing and user-generated video and audio.

Ogle School students are personally responsible for the content that they publish on social networking sites. Be mindful that what you publish will be public for a long time. Respect your audience.

Ogle School does not permit ethnic slurs, personal insults, obscenity, intimidation, cyber bullying or engaging in conduct that would not be acceptable in Ogle School's facilities on any of our social media sites. Ogle School reserves the right to remove any posts at its discretion and take necessary disciplinary action as appropriate. It is the duty of Ogle School to protect itself from undue harm related to information that is shared on social networking sites.

STUDENT POLICIES

MAKE-UP WORK

Students must attempt to make up failed or missed tests and incomplete assignments.

SATISFACTORY ACADEMIC PROGRESS POLICY

The intent of Ogle School's Satisfactory Academic Progress Policy is to be fair, reasonable and consistent in effectively evaluating the Student's measurable progress toward successful completion of their course instructing them to be successful in their chosen career. The policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences (NACCAS) and the federal regulations established by the United States Department of Education. Students are provided this policy prior to enrollment via this publication.

The training will include attendance, dependability, organizational skills, professional image, conduct, teamwork and cooperation. Student training is measured and communicated by; 1) Attendance, and; 2) Academic Grades.

1. Satisfactory Academic Progress is a requirement for all students enrolled in Ogle School. All students must maintain an academic grade percentage of 70% and average cumulative attendance of 70% to be considered making satisfactory academic progress and to complete the scheduled course within the maximum time frame. Ogle School's academic year is defined as 910 hours.
2. The maximum time a student has to complete is 143% of the course length. All minimum course lengths are determined by The Texas Department of Licensing and Regulation. Students who have not completed the course within the maximum time frame may continue as a student at the institution on a cash pay basis. However, at no time can a student exceed 150% of the program length regardless of payment method.

COURSE MAXIMUM TIME ALLOWED	WEEKS SCHEDULED	HOURS
Cosmetology (Full time, 35 hrs/wk) 1500 Hours	61 Weeks	2143
Cosmetology (Part time, 17.5 hrs/wk) 1500 Hours	122 Weeks	2143
Esthetics (Full time, 35 hrs/wk) 750 Hours	31 Weeks	1071
Esthetics (Part time, 17.5 hrs/wk) 750 Hours	61 Weeks	1071
Instructor (Full time, 35 hrs/wk) 500 Hours	20 Weeks	714
Instructor (Part-time, 17.5 hrs/wk) 500 Hours	41 Weeks	714

3. The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled hours. Ogle School evaluation periods are based on actual hours completed. Students are evaluated for Satisfactory Academic Progress upon meeting program benchmarks as follows:

- a. Cosmetology 455 hrs, 910 hrs, 1205 hrs
- b. Esthetics 375 hrs
- c. Instructor 250 hrs

Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Evaluation periods are based on actual hours completed.

4. A student's academic grade percentage is determined by;
 - a. Theory exams;
 - b. Practical exams, and;
 - c. Practice activities.

Grade	Definition	Percentage
A	Excellent	90% to 100%
B	Very Good	80% to 89%
C	Passing	70% to 79%
D	Unsatisfactory - Failing	60% to 69%
F	Failing	Less Than 60%

Students meeting the minimum requirements for academics (70%) and attendance (70%) at the evaluation point are considered to be making satisfactory academic progress until the next scheduled evaluation. Students deemed not maintaining Satisfactory Academic Progress may have their Title IV funding interrupted, unless the student is on warning.

5. Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame established in this policy. Total hours earned beginning the first day of course commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of course commencement and ending the last day of the completed period (phase).

Student's Actual Hours Attended ÷ Scheduled Hours = Cumulative % of Attendance

6. A student will be placed on warning, but considered to be making satisfactory academic progress during the warning period, if the student's attendance falls below 70% or their academics fall below 70%. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, he/she will be dismissed from the program.

STUDENT POLICIES

7. In the event the student withdraws, or other official interruption, the student, upon returning to school, maintains the status as of the time of departure.
 8. Withdrawals and incompletes have no effect upon the school's qualitative Satisfactory Academic Progress standard. All hours attempted within a progress report period are used in assessing if the student meets quantitative Satisfactory Academic Progress standard. Ogle School does not allow students to repeat courses and does not offer remedial or English as a Second Language (ESL) courses.
 9. With regard to Satisfactory Academic Progress, a student's transfer hours accepted by Ogle School will be counted as both attempted and earned hours for purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.
 10. Students may request access to their SAP evaluation by contacting the Student Services Coordinator.
1. Complete all required course work and final exams
 2. Complete scheduled agreement course hours
 3. Meet all tuition and fee requirements
 4. Maintain an acceptable level of compliance with all student policies
 5. Complete required graduation paperwork and documents
 6. Student must complete Exit Counseling if receiving federal student loans

Student will be awarded an Ogle School Diploma.

Academic dishonesty is any incident whereby a student or group of students knowingly and willingly offers or seeks to gain an academic advantage by giving or receiving inappropriate assistance in the preparation and completion of assignments and evaluations.

Students engaging in any form of academic dishonesty will be disciplined appropriately.

RE-ESTABLISHING ELIGIBILITY

Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. The student whose financial aid has been terminated for unsatisfactory progress will not be paid any additional financial aid until she/he has completed the hours previously paid for with a 70% academic grade percentage and will be able to complete the program within the maximum time frame.

FINANCIAL PROGRESS

Students must meet or be current with all financial obligations to Ogle School as specified in their payment plan prior to graduation. It is expected that the student will comply by providing all necessary requested information and/or forms. Also, if monthly payments are budgeted, they are to be submitted on or before the statement due date to maintain satisfactory financial progress.

If a student fails to meet his or her financial obligation, he or she will receive a warning. If the financial situation is not satisfied, the student will be dismissed.

The student may appeal his or her dismissal and/or request readmission per Ogle School's Appeals Board Policy.

COUNSELING

All first-time Federal Student Loan borrowers will be required to complete entrance counseling online at www.studentloans.gov prior to class commencement.

All Federal Student Loan borrowers will be required to complete exit counseling online at www.studentloans.gov prior to graduation.

GRADUATION REQUIREMENTS

In order to graduate from the course the student must:

STUDENT CONCERNS/STUDENT COMPLAINT AND GRIEVANCE

Students are encouraged at all times to communicate their concerns to members of the faculty and administration. Suggestions, concerns or complaints should be registered privately, never with fellow students or clients. If a situation arises in which a student has a complaint or grievance regarding grades, instruction or other topics related to their course of study, the following procedure is in effect:

STUDENT POLICIES

2. Make an appointment to discuss the matter informally with the School Director (or designate). If not resolved;
3. Request and complete a Student Complaint Form and submit it to the School Director (or designate). The School Director will verify that the student has made an attempt to resolve the concern informally and will call a meeting with all individuals whose participation is warranted by the circumstances of the particular concern to seek to resolve the concern. The minutes of the meeting and any agreed upon resolution will be documented on the Student Complaint Form and communicated to the student. If not resolved;
4. Request the School Director (or designate) forward the Student Complaint Form to the School's Vice President of Education for review. The ruling of the Vice President of Education will be documented on the Student Complaint Form and communicated to the student. If not resolved;
