**PLACEMENT RATE:** Ogle School tracks employment obtained by graduates within the beauty industry for positions including, but not limited to, stylists, estheticians, nail technicians, salon managers and retail sales. These placement rates are based on the number of 2020 graduates that were eligible for and obtained employment within the beauty industry by 11/30/2021.

The institution's accrediting agency has allowed flexibilities to the institution in the publication of its student outcome rates if the COVID-19 Pandemic has significantly impacted the ability of students to successfully graduate, sit for licensure and/or obtain employment. Any rates reported below that have been modified in accordance with these flexibilities have been adjusted in one of the following manners as indicated.

1. Some students who previously enrolled at this institution and were unable to successfully graduate, sit for licensure and/or obtain employment attested that they were unable or unwilling to do so specifically, due to the COVID-19 pandemic. Students who made such attestations have been excluded from the calculation of this rate.
2. As state and/or local restrictions with respect to the COVID-19 pandemic have significantly impacted the ability of this institution's students to sit for licensure and/or obtain employment, this rate has not been published.

Ogle School used a year cohort of students who started on or after 9/1/2018 through 8/31/2019 and graduated within 150% of their normal course length. Only first- time, full-time certificate seeking students are included in the calculation.
