## *-50 YEARS- OF BEAUTIFUL CAREERS*

*Ogle School offers nine convenient locations  
throughout the great state of Texas*

### **CAMPUSES/FACILITIES**

Each campus features separate classrooms, clinic areas, dispensary, retail, reception areas and offices for advisement. They are equipped with audio-visual equipment, library containing basic and advanced materials, client waiting areas, shampoo facilities and student work stations. Each student is provided with an ability to secure and hold the student's equipment and supplies.

### **TRAINING OVERVIEW**

Ogle School makes comparisons between the content of our courses and the needs and demands of business and the cosmetology industry by monitoring feedback from regulatory agencies and our Advisory Committee.

### **TRAINING BREAKDOWN**

Course training is broken down in 3 parts:

1. **Discovery** - Basic training through classroom theory, mannequin & live model practice with emphasis on procedure, skill development, client relations, and sales and marketing techniques.
2. **Skill Development** - Continuing education through clinic activities, classroom theory, mannequin & live model practice with the objective being skill development, client satisfaction, salon operations, time management, communication, and people skills.
3. **Career Readiness** - Refining skills for job readiness & career placement focusing on client relations, technical competency, time efficiency & sales and marketing techniques.

### **PHYSICAL DEMANDS**

Cosmetologists, Estheticians, and Barbers can expect to stand for long periods. Since so many of their activities involve the use of arms and hands, professionals should take steps to ensure proper physical conditioning and rest periods. Further, career Cosmetologists, Estheticians and Barbers may find it necessary to work long hours, sometimes missing breaks, and meals. It is not unusual for Cosmetologists, Estheticians, and Barbers to work more than 8 hours a day and/or more than 5 days a week – although these are the exceptions rather than the rule.

If School Director approves, the form will be sent to financial aid for review of any possible changes to the student's awards and/or payments, as applicable. The student is then provided the opportunity to deny the changes (cancel the request) if unable to move forward due to proposed modifications to their financial aid.

The school reserves the right to change the established schedules, in the event it becomes necessary. Students will be notified in advance should such circumstances arise.

### STUDENT ADVISING & GUIDANCE

Staff at Ogle School makes reasonable effort to maintain close communication with all students. Students have access to faculty and administrative staff for both career and academic advising. Students experiencing personal problems that require professional help will be referred to the appropriate agency(s) or organization(s).

Individual advising occurs periodically throughout the course. These sessions help instructors determine student progress and identify those students who may require additional assistance. Problems not resolved in instructor/student sessions may be referred to the School Director (or designate).

Student Advisement at Ogle School is available. Students are encouraged to seek help whenever it is needed. Formal academic advisement occurs when Grade Reports are issued. At any time, between Grade Reports, students may be formally advised; and all advisements are confidential. Whenever any staff member advises a student, the proceedings of that advisement are documented. All students will receive on-going, informal daily advisement in the areas of behavior, attitude, attendance, respect, cooperation, image, pride, and professionalism. When a student's problems are beyond staff capability, the student will be referred to the appropriate professional.

In addition to campus administrators, additional student support may be requested via the Student Assistance Manager ("SAM") here: [Support : SAM | Student Assistance Manager \(ogleschool.edu\)](#) or by contacting a Student Advisor, as follows:

Debi Cellerini [dcellerini@ogleschool.edu](mailto:dcellerini@ogleschool.edu)

## STUDENT POLICIES

Ogle School provides training and development of the highest caliber to prepare students for rewarding careers in the beauty industry. To provide quality education, it is necessary to have policies that address the education process, operations, and expectations of behavior.

### GROUNDINGS FOR TERMINATION

Ogle School reserves the right to terminate or to suspend a student for any reason and with or without previous warning; including, but not limited to: excessive tardiness or absences; failure to comply with conduct and employability standards; damage to property belonging to the school or its employees or other students; breach of school policies, rules, or regulations; bullying, conduct, harassment, violence, or any conditions that pose or may pose a threat to other students, guests, or employees of Ogle School; providing fraudulent or misleading information/documentation required for admissions, financial aid, or attendance; failure to make satisfactory arrangements for payments of tuition/expenses; failure to make satisfactory academic progress.

### ATTENDANCE

A student is absent during any unattended portion of their regular schedule. (See Course Schedule) Any absence will interfere with your learning process and will affect your attendance percentage. Students must inform the school of any planned absence by completing a [Student Attendance Notification](#) prior to the date of the planned absence. In cases of illness, emergency or other unforeseen absence, the student is required to complete the form *and* call their campus administrators no later than thirty (30) minutes prior to their scheduled start time to notify their instructor, Clinic Service Manager, and clients of their absence.

- Students absent five (5) consecutive regularly scheduled course days without contact will be immediately terminated from Ogle School on the 6th scheduled day of non-attendance.
- Students absent ten (10) consecutive regularly scheduled course days with contact will be immediately terminated from Ogle School on the 11th scheduled day of nonattendance.

Students not meeting Ogle School's attendance minimum will be formally notified on a monthly basis by way of an Intent to Terminate Enrollment letter and will face disciplinary action. Failure to comply with attendance standards may result in termination of a student's enrollment. The student withdrawal date for any student that withdraws or is terminated from Ogle School will be the last date of attendance.

Attendance Percentage is calculated by taking the total hours attended divided by the scheduled hours.

Examples:

Attended hours = 97.88	Attended hours = 505.57
Absent hours = 12.12	Absent hours = 14.43
Scheduled hours = 110.00	Scheduled hours = 520.00
Percentage = 88.98%	Percentage = 97.23%
$97.88/110.00=88.98\%$	$505.57/520.00=97.23\%$

### TARDINESS

Students must report to class on time. Notice of late arrival for any reason must be submitted via the [Student Attendance Notification](#) form. Communication does not excuse late arrival and students may be denied the ability to attend if unable to arrive on time.

### WITHDRAWAL/TERMINATION

All students who withdraw or have their enrollment terminated must participate in a withdrawal meeting in order to be considered withdrawn in good standing (WIGS). The intention of the withdrawal meeting is to clearly understand reason(s) for removal from the program and to establish a possible readmit plan. Students that do not complete a withdrawal meeting within 48 hours of being classified as a withdrawal or having their enrollment terminated may not be readmitted to Ogle School at a future date. Readmission to Ogle School is first contingent upon completion of a withdrawal meeting and subsequently financial preparedness, student perceived commitment to graduation, and school administration approval. Students interested in being readmitted to Ogle School should contact the Re-Admissions Team at: [re-admissionsteam@ogleschool.edu](mailto:re-admissionsteam@ogleschool.edu).

## STUDENT POLICIES

### MAKE-UP WORK

Students must attempt to make up failed or missed tests and incomplete assignments. Unscheduled hours are at the institution's discretion for make-up work and completion of guest services.

### LOCKERS

Students may be assigned a locker at course commencement. Students assigned a locker must use a combination lock to secure equipment and personal belongings within their locker and provide campus administrators with the lock's combination.

Lockers are for use by current, active students only. Students must remove all belongings from their assigned locker immediately upon graduation, termination, or withdrawal from Ogle School. Items found to be stored longer than 48 hours since the student's last day of attendance or in unassigned lockers or roll-arounds will be discarded.

Lockers are the property of Ogle School and may be formally inspected at any time. Students are required to organize, clean, and sanitize their lockers daily. Care must be taken not to mix unsanitary personal belongings (food, money, and clothing) with sanitized implements and equipment. Students who damage lockers will be required to pay the cost of repairing or replacing the locker. Students may not remove school equipment from the school at any time.

### CHILD CARE RESOURCES

Students are prohibited from bringing their children to school during their scheduled course time and/or while earning clock hours. Please make appropriate arrangements for child care. The campus administrators are available to assist you in finding child care resources.

### TIME CLOCKS AND CLOCK HOURS

Students' hours are recorded on a time clock each day. It is the responsibility of students to use the time clock correctly. Failure to clock in or out may result in the loss of clock hours. **To receive full credit, a student must clock IN when beginning their day and clock OUT when ending their day.** Students must clock OUT when beginning their scheduled lunch break (full-time day students only) and must clock back IN when their scheduled lunch break ends. All students must be off the clock when leaving the building for any reason. Students, regardless of enrolled course or schedule, may not clock more than their scheduled hours on any given scheduled course day, except for approved field trips, unless prior approval is given by the School Director or designate.

Students must be always engaged in a learning activity while earning clock hours. Students not engaged in a learning activity or students that are on break or at lunch must be clocked out. Any student found to be not engaging in a learning activity, in the break room or outside the facility while clocked-in or in violation of any part of 16 Texas Administrative Code, Chapter 83.72(i) (1-4), as posted at each time clock, may be subject to corrective action up to and including immediate dismissal from Ogle School.

Instructors and/or the School Director (or designate) will communicate daily with students in areas of attendance and dependability. At a minimum, students will be notified of their earned clock hours each month. If students have questions about total time, they can consult their time tracking app or submit a ticket via the Student Assistance Manager ("SAM").

### BREAKS & BREAK AREAS

Full-time students must clock out for a required lunch break daily, even if they remain inside the building. Students leaving the facility for any reason, including approved breaks, must clock out. Each campus has designated student break areas. No eating or drinking is permitted anywhere in the school other than assigned break areas.

## STUDENT POLICIES

### SEXUAL MISCONDUCT PREVENTION AND RESPONSE

Ogle School is committed to complying with all laws that prohibit discrimination on the basis of sex in admission to, employment with, and otherwise in the operation of its educational program and activities. Among the applicable laws, Title IX of the Education Amendments of 1972 prohibits sex discrimination and sexual harassment in schools. In compliance with Title IX, Ogle School is committed to ensuring that all its students have equal opportunity to benefit from our program and activities, and that all its employees enjoy equal employment opportunity, free from sex discrimination and sexual harassment. The protections of Title IX also extend to third parties. Ogle School has developed a Title IX policy and the associated processes (please view the full Title IX policy, found here: [Title IX Policy](#), to ensure that all complaints of sex discrimination and sexual harassment—whether brought by students, employees, or third parties—are promptly investigated and, where a violation is found, that Ogle School takes action to end the conduct, prevent its recurrence, and address its effects.

Sexual harassment is unwelcome advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature, when submission to or rejection of this conduct explicitly or implicitly affects a person's employment or education, unreasonably interfered with a person's work or educational performance, or creates an intimidating, hostile or offensive working or learning environment. Individuals who believe they are victims of sexual harassment should make it clear that such behavior is offensive to them. If the behavior continues, document the matter and refer it to Campus Security Authorities.

Responsible employees must promptly report sexual harassment that they observe or learn about. Students who are found to be participating in any form of sexual harassment will be subject to disciplinary action, including but not limited to suspension or dismissal from school.

Any student, employee or other person who believes that he or she has been subjected to any form of sex discrimination, sexual harassment, or sexual assault in violation of this policy should make a complaint. Ogle School takes all such complaints seriously.

Ogle School strongly encourages any person who wishes to make a complaint under this policy to bring that complaint directly to Ogle School's Title IX Coordinator. However, a student may also bring such a complaint to an Admission Representative, Instructor, School Director, or staff member with whom he or she is comfortable. Likewise, an employee may bring such a complaint to their immediate supervisor, another manager, or a human resources generalist. In each case, the complainant should understand that the complaint will be forwarded to the Title IX Coordinator.

**Title IX Coordinators:** A central Title IX Coordinator is located at the Campus Support Center to assist with the coordinator at the campuses. School Directors have been designated as the Title IX Coordinators at each campus. Please see Insert 3 to find the current designates for the campus you attend.

If you believe you have been sexually assaulted, your first priority should be to get to a place of safety. Ogle School strongly advocates that a victim of sexual assault reports the incident in a timely manner.

## **STUDENT POLICIES**

### **STUDENT CONDUCT**

Time is a critical factor for evidence collection and preservation for the proof of a criminal offense. An assault should be reported directly to local police and/or Campus Security Authorities. Upon request, Campus Security Authorities will assist victims in reporting incidents of sexual assault to local police. Filing a police report will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Ogle School seeks to handle each complaint and investigation with professionalism and discretion. A fair and effective investigation often requires that the details of the complaint and/or the identity of the complainant be shared with those individuals involved in and/or interviewed in the investigation. Such individuals will, however, be expected to maintain the confidentiality of the matter to the extent possible.

You can obtain information about rape awareness and prevention, victim support, counseling and mental health from the Rape, Abuse, and Incest National Network, at 1-800-656- HOPE (4673) or their website: <http://www.rainn.org>. Ogle School does not offer on-campus counseling services.

In the event a student has been apprehended for the violation of a law in the community, state or nation, the school will not request nor agree to special consideration for that individual because of his or her status as a student. The school will cooperate fully with law enforcement and other agencies in the enforcement of the law.

### **CLINICAL EDUCATION**

Part of your education at Ogle School will be provided in our salon-modeled student clinic. The student clinic is designed to allow you to learn and practice your skills in a simulated salon environment. You will be learning by performing salon services on real, paying customers of the clinic. You will also learn how to sell professional-grade products to these customers. Learning in this environment and practicing on real clients is critical to your education. You will receive academic credit for the time you spend in the clinic. By enrolling in Ogle School, you are not an employee of the school, nor will you be paid a wage for the time spent learning in the student clinic.

As a requirement of regulatory standards, Ogle School does not permit students to practice on live models or paying clients outside of the school facility, unless during an approved pre-arranged instructor supervised field trip. Distance Education will not be utilized as a method of delivery of clinical instruction in which the student is to perform practical applications on a live model and/or client.

### **CONSTRUCTIVE INSTRUCTION**

Any student disrespect or lack of cooperation toward instructors as a result of constructive criticism will be regarded as exhibiting unprofessional behavior and may result in termination of the student's enrollment.

### **BIOMETRIC DATA**

Ogle School uses biometric scanners to capture student biometric data (fingerprints) for verification of identity. These scans are matched against the saved database to approve or deny access to the time clock system.

### **BUSINESS TELEPHONES**

Students are prohibited from using business telephones for personal telephone calls except for extreme emergencies as determined by the School Director (or designate).

## STUDENT POLICIES

Ogle School does not condone and will not tolerate the unauthorized copying, downloading, publishing, distribution or use of copyrighted material. Students who engage in illegal downloading or unauthorized distribution of copyright materials using the school's information systems will receive an advisement up to and including dismissal from Ogle School. Ogle School imposed sanctions are additional to any legal actions taken by local, state or federal authorities. 18 U.S.C. § 2319 provides for the following legal sanctions.

### SOCIAL MEDIA

The use of social media can be extremely beneficial to the success of a salon, spa, or independent contractor. For this reason, Ogle School supports the rights of students to utilize social media platforms in ways that directly promote professional career development. "Social Media" refers to all forms of online publishing and discussion, including but not limited to Facebook, Twitter, YouTube, Snapchat, Reddit, Instagram, TikTok, Pinterest, personal and public blogs, wikis, as well as any instance of a shared personal audio/video files. All posts must respect the privacy of others and photographs of students, staff, or clients should not be posted or shared without their permission. For any content that is posted on an Ogle School social media outlet, the school reserves the right to remove content at its discretion and without notification. Please be aware that some actions on the Internet are not-reversible and may reflect negatively on an individual for an extended period. Practicing courtesy and professionalism in online environments is strongly encouraged and disciplinary action may be enforced for non-compliance.

## STUDENT POLICIES

### SATISFACTORY ACADEMIC PROGRESS POLICY

The intent of Ogle School's Satisfactory Academic Progress ("SAP") Policy is to be fair, reasonable and consistent in effectively evaluating the student's measurable progress toward successful completion of their course instructing them to be successful in their chosen career.

This policy complies with the guidelines established by the National Accrediting Commission of Career Arts and Sciences ("NACCAS") and the federal regulations established by the United States Department of Education. The policy applies to all students enrolled at Ogle School and is provided to applicants prior to enrollment via this publication. Training provided will include attendance, dependability, organizational skills, professional image, conduct, teamwork, and cooperation.

Students' satisfactory academic progress is measured in both quantitative (attendance) and qualitative (academic grades). All students must maintain an academic grade percentage of 70% and average cumulative attendance percentage of 70% to be considered making SAP. Attendance is evaluated on a cumulative basis. At each evaluation point, the attendance for the period will be added to the attendance from the preceding periods to determine whether the student will complete the course within the maximum time frame established in this policy. Total hours earned beginning the first day of course commencement and ending the last day of the completed period (phase) divided into the student's scheduled hours beginning the first day of course commencement and ending the last day of the completed period (phase). This is calculated in the following way:  $\text{Student's Actual Hours Attended} \div \text{Scheduled Hours} = \text{Cumulative \% of Attendance}$

The maximum time frame in which a student must complete their program is 143% of the course length. All minimum course lengths are determined by The Texas Department of Licensing and Regulation. Enrollment will be terminated for students who do not complete the course within the maximum time frame. However, they may later re-enroll at the institution on a cash pay basis. At no time can a student exceed 150% of the program length regardless of payment method.

MAXIMUM TIME ALLOWED - BY COURSE SCHEDULE	MAXIMUM WEEKS	MAXIMUM HOURS
Cosmetology (daytime 35 hours/week   1000 hours)	41 weeks	1430
Cosmetology & Cosmetology Hybrid (morning, afternoon & evening 17.5 hours/week   1000 hours)	82 weeks	1430
Cosmetology Hybrid (morning, afternoon & evening 27.5 hours/week   1000 hours)	52 weeks	1430
Esthetics (daytime, 35 hours/week   750 Hours)	31 weeks	1072
Esthetics & Esthetics Hybrid (evening 17.5 hours/week   750 Hours)	61 weeks	1072
Esthetics Hybrid (morning, afternoon & evening 27.5 hours/week   750 hours)	39 weeks	1072
Barber (daytime, 35 hours/week   1000 Hours)	41 weeks	1430

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 70% of the scheduled hours. Ogle School evaluation periods are based on actual hours completed.

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the Leave of Absence. Hours elapsed during a Leave of Absence will extend the student's contract period, and maximum time frame, by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation.

## STUDENT POLICIES

A student's academic grade percentage is determined by;

- Theory exams;
- Practical exams, and;
- Practice activities

GRADING SCALE		
Grade	Definition	Percentage
A	Excellent	90% to 100%
B	Very Good	80% to 89%
C	Passing	70% to 79%
D	Unsatisfactory - Failing	60% to 69%
F	Failing	Less Than 60%

Evaluations will determine if the student has met the minimum requirements for SAP. The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by midpoint in the course. Evaluations are conducted at the conclusion of each evaluation period. Each period is based on actual hours completed for both on-campus and hybrid program at the benchmarks indicated below for an academic year 900 hours in length:

### Cosmetology & Barber (1,000 hours)

- 450 hours (daytime 13 weeks/morn, aft, eve 26 weeks)
- 900 hours (daytime 13 weeks/morn, aft, eve 26 weeks)

### Cosmetology Hybrid (1,000 hours) 17.5 hours per week

- 450 hours (evening 26 weeks)
- 900 hours (evening 26 weeks)

### Cosmetology Hybrid (1,000 hours) 27.5 hours per week

- 450 hours (morning, afternoon, evening 17 weeks)
- 900 hours (morning, afternoon, evening 17 weeks)

### Esthetics (750 hours)

- 375 hours (daytime 11 weeks/evening 22 weeks)

### Esthetics Hybrid (750 hours) 17.5 hours per week

- 375 hours (evening 22 weeks)

### Esthetics Hybrid (750 hours) 27.5 hours per week

- 375 hours (morning, afternoon, evening 17 weeks)

NACCAS allows schools to omit evaluations at the conclusion of the last evaluation period within each course offered at Ogle School.

Students will be sent a Satisfactory Academic Progress Report upon reaching each benchmark. All SAP Progress Reports will be completed within seven (7) business days following each established evaluation period. A copy of each report will be kept in the student's file. Students meeting the minimum requirements for academics (70%) and attendance (70%) at their evaluation point are making SAP until the next scheduled evaluation. A student will be placed on SAP warning, but considered to be making SAP during the warning period, if the student's attendance falls below 70% or their academics fall below 70%.

All students on SAP warning are required to meet with a designated Ogle School representative to discuss their status and steps needed to meet the minimum standards before the next evaluation point. These students must sign their SAP report in a timely manner and will be advised in writing on the actions required to meet SAP requirements by the next evaluation. If at the end of the warning period, the student has still not met the attendance and academic requirements, they are no longer be eligible for Title IV funding and will be terminated from the program. Students meeting the minimum SAP standards at the end of their warning period will no longer be considered on SAP warning.

In the event the student withdraws, has their enrollment terminated, or other official interruption prior to completion of the course and wishes to re-enroll will return in the same SAP status as at the time of their departure from their program. The student whose financial aid has been terminated for unsatisfactory progress will not be paid any additional financial aid until she/he has completed the hours previously paid for with a 70% academic grade percentage and will be able to complete the program within the maximum time frame. Students can reestablish satisfactory academic progress and/or financial aid eligibility by meeting these criteria.

Additionally, withdrawals, terminations, and incompletes have no effect upon the school's qualitative SAP standard. All hours attempted within a progress report period are used in assessing if the student meets quantitative SAP standard. Ogle School does not allow students to repeat courses and does not offer remedial or English as a Second Language (ESL) courses.

Student's transfer hours earned at another institution that are accepted by Ogle School, as applicable, will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time-frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

### LEAVE OF ABSENCE

A Leave of Absence (LOA) is a temporary interruption in a student's program of study. LOA refers to the specific time period during an ongoing program when a student is not in academic attendance. The school may allow more than one LOA at its discretion. Students must request a Leave of Absence in advance unless unforeseen circumstances prevent the student from doing so, and that:

- The request must be in writing
- The request must include the student's reason for the LOA; and
- The request must include the student signature
- The request must include supporting documentation from the student's physician indicating that the leave is deemed medically necessary

The reasons for which a leave of absence may be approved include:

- Pregnancy
- False pregnancy
- Termination of pregnancy; or
- Recovery therefrom

The institution may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if:

- The institution documents the reason for its decision
- The institution collects the request from the student later; and
- The institution established the start date of the approved LOA as the first date the student was unable to attend.

If approved, the official Leave will extend the contract period by the same number of days designated in the leave document or used by the student. No additional charges will be assessed as a result of an LOA. A student granted an LOA in accordance with this policy is not considered to have withdrawn and no refund calculation is required at this time.

The Leave of Absence and any additional approved leaves of absence may not exceed a total of 180 days in any twelve-month period. For federal aid recipients, the student's payment period is suspended during the LOA and no federal financial aid will be disbursed to students while on a Leave of Absence. Upon the student's return, the student will resume the same payment period and coursework and will not be eligible for additional Title IV aid until the payment period has been completed. If the student is a Title IV loan recipient, the student will be informed of the effects that the student's failure to return from a leave may have on the student's loan repayment terms, including the expiration of the student's grace period. A contract addendum will be completed and signed by all parties upon return from the LOA to extend the ending date by the applicable number of days.

A student will be withdrawn if the student takes an unapproved LOA or does not return by the expiration of an approved LOA and the student's withdrawal date for the purpose of calculating a refund will be the student's last date of attendance.

## FINANCIAL PLANNING POLICIES

### FINANCIAL PLANNING DEPARTMENT

Our Financial Planning Department is open to students during normal business hours. (Schedules may vary by campus.) Students are encouraged to call if they have any questions or need help regarding their financial planning.

### FINANCIAL ASSISTANCE PROGRAMS

Ogle School provides financing plans for students who wish to pay on a payment plan. Ogle School will assist students in developing financial plans to pay for their education through United States Department of Education's Federal Student Financial Assistance Programs (Title IV funding), Department of Assistive and Rehabilitative Services (DARS) and Veterans Education Benefit. The Financial Planning staff will assist students in developing financial plans to pay for their education through a combination of student/family contributions and financial assistance, if eligible.

### PAYMENT AGREEMENT

All payments are the responsibility of the student and are payable as stated on the Student Account Payment Contract. Students may be required to make monthly payments while attending school. Payment amounts are based upon the course in which the student is enrolled. Any change in financial situations which may affect a student's ability to make scheduled payments must be discussed with the Financial Planner.

Billing - Tuition payments are due based on the schedule established through the financial planning process. Payment options accepted are MasterCard, Visa, Discover and American Express and must be made online. Cashier's Check and Money Order may be sent to Ogle School's Campus Support Center at 2208 W. Park Row, Ste. 100, Arlington, TX 76013.

### SCHOLARSHIP & FEE WAIVERS

Ogle School reserves the right to offer scholarships and waive fees to eligible students.

### SCHOLARSHIPS/GRANTS

Presidential Scholarship, Beautiful Futures Scholarship, Rising Start Scholarship, and Ogle Elite Scholarship.

### RETURN OF FEDERAL STUDENT AID

If a student withdraws from or has their enrollment terminated at Ogle School, the school and/or the student may be required to return a portion of the Federal Student Aid received. The last date of attendance is used to calculate the amount of any federal student aid that must be returned.

The amount of Federal Student Aid a student has earned at the time of withdrawal or termination is equal to the percentage of the payment period completed. The percentage of the payment period completed is determined by dividing the number of hours the student was scheduled to complete in the payment period, as of the last date of attendance, by the total number of clock hours in the payment period.

For that payment period, if the number of hours scheduled to complete in the payment period is greater than 60% of the clock hours in the payment period, the student has earned 100% of the Federal Student Aid, no return is due. If the number of clock hours scheduled to complete in the payment period is less than 60% of the clock hours in the payment period, a return of Federal Student Aid may be necessary. The amount of Federal Student Aid to be returned is calculated by subtracting the amount of earned Federal Student Aid from the total amount of Federal Student Aid received.

The student is required to return any unearned Federal Student Aid less the amount returned by Ogle School. If a student needs to return loan funds, the funds are repaid as required by the normal loan repayment phases. If the student is required to return Federal Student Aid, Ogle School will notify the student of the repayment amount within thirty days of determining the student withdrawal or termination. If the student fails to return the grant aid as instructed, the student is considered to be in overpayment and thus ineligible for any additional Federal Student

## FINANCIAL PLANNING POLICIES

Aid at any school until that amount is repaid to the U.S. Department of Education or satisfactory repayment arrangements are agreed to by the student and the U.S. Department of Education.

Ogle School returns unearned Federal Student Aid within forty-five (45) calendar days of the date the school becomes aware the student is no longer enrolled.

If a student has earned more Federal Student Aid than has been posted to his/her account, the student may be entitled to a post withdrawal disbursement of Federal Student Aid. The post withdrawal disbursement is first used by the school to pay outstanding charges; any remaining amount is offered to the student or parent borrower. Ogle School will send the borrower a written notice of any loan funds returned to the lender as a result of the withdrawal calculation. A student borrower who fails to attend in-person exit counseling prior to or at the time of withdrawal or termination will be mailed loan counseling materials. The borrower should complete the exit counseling form and return it to the school.

The Return of Federal Student Aid Policy applies only to the Federal Student Aid Programs. Assistance received from other aid programs will be returned to those programs in accordance with the funding source's refund policies. The Return of Federal Student Aid calculation is performed to determine the amount of Federal Student Aid that must be returned to the U.S. Department of Education. It is not used to calculate the amount of tuition and fees a student will owe the school upon withdrawal or termination. A separate refund policy is provided to assist students in determining the amount of tuition and other charges owed to Ogle School.

If the student has a remaining balance owed to Ogle School after all refund calculations are completed, whether the student withdraws or their enrollment is terminated by the school, there may be a 15% interest fee added to the owed remaining balance. Ogle School will send an invoice to withdrawn and/or terminated students if a balance is owed the school. Any balance due will be calculated by determining earned charges using the institutional refund policy, and then subtracting the amount of earned aid as determined using the return to federal student aid policy.

### CANCELLATION & SETTLEMENT POLICY/ REFUND POLICY

(a) **Termination Date:** Termination date is determined by the postmark date on written notification or the date student notifies the School Director (or designate) in person of his/her intent to withdraw or the date of withdrawal specified in writing by student. Legal guardian/guarantor of students under eighteen (18) years of age must provide such notice of cancellation. A withdrawal does not relieve student and legal guardian/guarantor, if any, of financial responsibilities under the phases of Enrollment Agreement. For an unofficial withdrawal, the termination date is when school recognizes student is no longer in attendance.

(b) **Refund Calculations:** For the purpose of refund calculations, a refund is based on the period of student's enrollment computed on the basis expressed in scheduled hours. The effective date for refund purposes is the earliest of: the last date of attendance (if student is withdrawn/terminated by the school), or the date the license holder receives the notice of withdrawal or the date the school recognizes that the student is no longer in attendance. Refunds of tuition and fees will be paid not later than the 30th day after the date the student becomes eligible for the refund.

(c) **Rejection, Three-Day Cancellation, and Course Cancellation:** If student is rejected by school or if student cancels the enrollment agreement not later than midnight of the third day after the date the agreement is signed by the student, excluding Saturdays, Sundays and legal holidays, all amounts paid will be refunded, regardless of training.

(d) **Other Cancellations:**

1. If student reasonably demonstrates that they entered into the Enrollment Agreement because of a misrepresentation made in the advertising or promotional materials of the school; or by an owner or representative of the school, all amounts paid will be refunded, regardless of training or;
2. If school is permanently closed and is no longer offering instruction after course commences, school

## FINANCIAL PLANNING POLICIES

will refund the unused portion paid by student or;

3. If student or school cancels this Enrollment Agreement more than three (3) business days after signing Enrollment Agreement, but on or before the fifth (5th) scheduled course day, student is entitled to a refund of all tuition fees paid or;
4. In cases of cancellation of this Enrollment Agreement, either by student or school, after student has commenced the course and after the fifth (5th) scheduled course day, a percentage of the tuition is retained by school and/or refunded to student per school's tuition adjustment schedule.

**(e) Student Financial Aid Refund Allocation:** Refund and repayment amounts must be distributed according to a specific order of priority prescribed in law and regulations. School's refund or repayment allocation may not deviate from the prescribed order. Refunds on behalf of Student Financial Aid recipients must be distributed in the following order: 1) Direct Unsubsidized Stafford Loans; 2) Direct Subsidized Stafford Loans; 3) Direct PLUS Loans; 4) Federal Pell Grants; 5) FSEOGs; 6) Other SFA Programs; 7) The Student. Refunds of Financial Aid funding will be made within forty-five (45) days of the date student withdraws, as defined in section (a).

**(f) Refund of Tuition and Fees:**

For students who enroll and begin classes but withdraw, or are terminated, prior to program completion and during the last 50% of the scheduled course, the school:

- a) May retain 100% of tuition and fees paid by the student; and
  - b) Is not obligated to refund any additional outstanding tuition
1. For students who enroll and begin classes but withdraw, or are terminated, prior to program completion and within the first 50% of the scheduled course, the school shall refund:
    - a) 90% of any outstanding tuition for a withdrawal or termination that occurs during the first week or first one-tenth of the course, whichever period is shorter;

    - d) 50% of any outstanding tuition for a withdrawal or termination that occurs not later than the completion of the first 50 percent of the course.
  2. Books, equipment and supplies (kit) are distributed in two parts for both Cosmetology and Esthetic students. Portions of the kit, once received, are non-refundable.

\*For a first-time Ogle School student, 100% of any outstanding tuition will be refunded.

A student or guardian of a dependent minor student should identify the part of the record she/he wants changed and specify why it is believed to be inaccurate, misleading, or in violation of privacy rights. A decision will be reached and the student or guardian of a dependent minor student will be informed within a reasonable amount of time after receiving the request. If the decision is not to amend the record(s), the student or guardian of a dependent minor student has the right to a hearing. The hearing will be conducted by a school official who does not have a direct interest in the outcome of the hearing. The hearing will be held within a reasonable amount of time after it is requested notifying the student in advance, of the date, place, and the school official will decide in writing based on the evidence presented at the hearing including a summary of the evidence and the reasons for the decision.

This statement will be maintained as part of the education record as long as the contested portion is maintained, and whenever a copy of the education record is sent to any party, the student's statement will be included.
